ETHEREAL
SOLVENTLESS

SIX-STAR PURE LIVE ROSIN ON-THE-GO

COLLECTION OVERVIEW

ETHEREAL represents Kurvana's commitment to redefining cannabis concentrates with premium live rosin products. Crafted for connoisseurs, this collection utilizes a solventless extraction process, preserving the plant's unadulterated essence. The ETHEREAL experience is amplified by Kurvana's custom Rechargeable All-In-One (0.5 mL) hardware, designed for a delicate and refined cannabis journey.

KEY FEATURES

Fresh-Pressed

Crafted from single-strain, fresh-frozen flowers to ensure maximum potency and purity.

Craftsmanship

Made from six-star hash, first-press, and high-grade trichomes (73-149 microns) for the purest quality.

100% Solventless

Only ice, water, heat, and pressure are used to extract the purest rosin.

Full-Spectrum Experience

Captures the plant's natural cannabinoids and terpenes for a flower-like high.

Custom All-In-One

Designed to optimize every aspect of your experience, from flavor to functionality.

Rechargeable AIO

Equipped with USB-C, 280 mAh battery, and 0.5 mL of rosin concentrate.
